Della,

This letter is to inform you that any construction that is being done and any future construction must have a driveway permit. No landscaping, no masonry posts, mail boxes or trash containers will be allowed on the right-of-way. Nothing is to be erected or altered in any way on the right-of-way without a permit from Camden County Road & Bridge.

If you have any further questions, please feel free to call.

Sincerely,

Gary L. Webster
Highway Administrator
